

**20 SEPTEMBER 2001, US**

**DISASTER UPDATE**

Following the shocking events in New York and Washington, Computershare can confirm that its systems are operational and all of its staff are safe and accounted for. Our New York and New Jersey offices, like all our offices worldwide, are open for business.

We extend our deepest sympathies to the families and friends of the victims of these tragic events , and to the people of New York and Washington. Our thoughts and prayers are with all of our colleagues and customers whose lives have been changed forever because of the horrific events.
